(Prospective) tax consultant/auditor (Steuerberater/Wirtschaftsprüfer) (f/m/x)

Zürner & Kollegen can look back on more than 60 years of successful activity. Our company is specialised in supporting Italian and English speaking clients. Our clients are predominantly owner-managed international medium-sized companies or groups, which we provide with economic and fiscal support in their business activities on the German market. We offer a wide range of individual services specifically designed to provide each client with optimum support. Our activities include the compilation of annual financial statements, the preparation of financial accounting and payroll accounting as well as fiscal consultancy in all areas. Furthermore, we offer comprehensive economic consultancy and carry out audits of financial statements.

Our aspiration is to provide our clients with advice based on a profound understanding of our clients' business as a whole. This is what we require of our staff as well.

You are responsible for:

- Carrying out audits of annual financial statements and consolidated financial statements in accordance with HGB in Germany as well as at the registered office of the parent company.
- Compiling annual financial statements
- Preparing tax returns for companies and private individuals
- Assistance in the financial accounting and, as the case may be, preparing of the corresponding group reporting
- Carrying out due diligence projects
- Participating in the execution and preparation of transfer pricing documentations
- Offering advice to our clients in fiscal, accounting and economic matters.

That's what you can expect:

- Varied and challenging tasks
- Individual training and further education in the form of in-house and external courses
- Internal language courses
- Working in teams with flat hierarchies in a collegial and respectful working atmosphere

- Digital work flows and working environment
- Flexible remote working place
- Performance-related pay with variable salary components including net wage optimisation and occupational retirement provision

Your qualifications:

- You have several years of professional experience, mainly in a medium-sized auditing and tax consulting office in the areas of auditing and tax consultancy.
- Your strong analytical skills enable you to grasp new concepts and matters quickly.
- You stand out for your sensitivity to meet the clients' requirements and needs.
- A distinctive service orientation comes naturally to you.
- You enjoy developing client-oriented solutions.
- Good English and/or Italian language skills complete your profile.
